Profile

   Hi, I'm Ditsarut Sukkong, a versatile and innovative programmer with a deep passion for coding and creating impactful software solutions.

   Some of my notable projects include developing a complex web application using Nuxt.js and Tailwind, and contributing to an open-source project in Lua. I have also streamlined database operations for several applications using MySQL and Mongoose.

SKILLS

- PHP
- Golang
- C#
- Javascript
- MySql

- HML+CSS
- Tailwind
- Vue.js
- Nuxt.js
- Mongodb
